We have reviewed the accompanying statement of unaudited financial results of M/s. Tirupati Starch & Chemicals Ltd., Indore for the Quarter and half year ended on 30/09/2014. This statement is the responsibility of the Company's management and has been approved by the Board of Directors.

A review of interim financial information consists principally of applying analytical procedures for financial data and making enquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review conducted as above and subject to followings:

1. The unaudited figures for quarter and half year ended on 30/09/2014 are taken from the unaudited financial results furnished by the Company and for quarter and half ended on 30/09/2013 are given on the basis of our earlier review along with the figures as reviewed and as regrouped as were necessary to the extent information available from the published statement.
2. The goods sent on consignment are treated as sales.
3. No provision for taxation and No adjustments for deferred tax has been made in respect of period ended on 30th September, 2014 as required by the Accounting Standard 22. It is stated that it will be made during the course of Audit.
4. The Company is in the process of reviewing the useful life of tangible fixed assets and identification of their major components, to enable it to provide depreciation on such assets in accordance with Schedule II to the Companies Act, 2013. Pending this, the depreciation on such assets has been provided for in accordance with Schedule XIV of the Companies Act, 1956. The effect of this is not quantifiable.

Based on our review conducted as above, nothing has come to our notice that caused us to believe that the accompanying statement of unaudited Quarterly and half yearly (Unaudited) financial results, prepared in accordance with accounting standards and other recognized accounting practices & policies, has not disclosed the information required to be disclosed in terms of clause 41 of the Listing Agreement including the manners in which it is to be disclosed, or that it contains any material misstatement.
